USER TESTING

SUMMARY

- WHY Next, Maybe Yes
- Would you like to keep here?
- Prospect student to up
- Weird layout for sign in
- I would like to click on the whole section to select instead of that small square
- Confused → application is completed. It should tell me I missed it.
- I want to click on Images and not the small circles
→ squares
- "Pick as many as you like" - people might miss it. I keep ignoring it.
- Confusing questions on resources. Maybe which ones are important?
- Instead of Meh → ?
- See Matches → Button Instead of circle
- I would like to see which schools they missed
- Folder needs bigger click space
- Connect → to something else? on the folder
- Add official links to Testing resources
- completed as a word instead of checkmark?
- x → did he cancel the invitation? there should be another icon
