Julie, Lucia, Sahitya, Lara (feedback 2)

- Lara: Home page - functionality could be improved
  - flow could be improved.

- Julie: back buttons on sections, skip option?
  - GPA High school for filter
  - location
  - Human way (close to major airport
                       driving distance)
  - extracurriculars (filter)

  - Profile connection a bit confusing

- Lucia: Quiz navigation (arrows)
  - How many days left for deadlines (timer)

  - priority scale
  - scedule a reminder. instead of now

  - work on language

- Sahitya: navigation on dots
             skip to quiz instantly (get started)

* - Create account title.   - seperate the connect
                                                    profiles
  - Extra filter title
  - complete application more clear - Program name on
                                                     min view
